## SOURCES OF FREE AND INEXPENSIVE TEACHING AIDS

Groups of Ontario teachers, in co-operation with the Audio-Visual Section of the Department of Education, have examined critically non-projected visual aids from many sources. Booklets, charts, flat pictures, maps, posters, and samples were evaluated as teaching aids, and correlated with the Programme of Studies. Those aids that were rated as particularly useful are enclosed.

### SUGGESTIONS FOR ORDERING THESE AIDS

1. Write your request on official school stationery.
2. State clearly your position on the teaching staff.
3. Identify the desired aids definitely by their complete titles (where available), and by the nature of the materials.
4. Request only single copies when first writing for free material.
5. Discourage pupil requests. If material is available in class sets, teachers should place the order.

DO NOT ORDER FROM THE AUDIO-VISUAL SECTION.
